

Join us in making a difference for the children of Peru!

Life is challenging for many citizens of this country, and the orphans of Paz Peru are no exception. The COVID-19 pandemic has only added to the difficulties they face, with an increase in the number of orphans and a lack of resources and education. These children are living in an orphanage at the edge of the Andes Mountains, at an altitude of 2,380 meters above sea level. They are exposed to depression, anxiety, and poverty and they have been suffering from general abuse.

But with your help, we can change their future and give them the strength and resilience to overcome it all.

Here at Mind For Life, our goal is to support these children and give them the future they deserve. That's why we're planning to fund orphanages like Paz Peru, so they can purchase the **disability accessories** they so desperately need.

You can be a part of this amazing cause. By purchasing a raffle ticket, you'll not only be making a positive impact in the lives of these deserving kids, but you'll also have the chance to win a three-night stay with your family at the luxurious Landmark Nelson Bay Resort near Sydney!

Every ticket purchased goes directly to supporting Paz Perú's mission to provide these children with the resources they need to thrive.

**So, what are
you waiting for?**

Help us give the children of Peru a brighter future and **purchase your raffle ticket today!** "Your generosity will make a world of difference in their lives."

Landmark Nelson Bay
